**SUMMARY**   Software engineer with a strong academic record and a year of internships graduating from Rochester Institute of Technology with a B.S. in Computer Science. Solid knowledge of computer science fundamentals (data structures, algorithms, distributed systems) and multiple programming languages and paradigms (OO, functional, structured) in addition to full-stack familiarity and DevOps expertise. Experience taking products from requirements to delivery using Agile methodology.

**LANGUAGES**
- Javascript (Node.js, AngularJS)  • Ruby  • HTML/CSS  • Java  • C#  • C
- Haskell  • Scala  • SQL

**OTHER SKILLS**  • AWS (EC2, ECS, S3)  • Docker  • Git/GitHub  • Linux/UNIX  • LaTeX

**EDUCATION**

**Rochester Institute of Technology**

Bachelor of Science in Computer Science *(GPA 3.42)*

**WORK EXPERIENCE**

**EnerNOC - Labs Software Intern**                                     1/15 - 8/15
- Built AngularJS UIs and Node.js microservices with small Agile team for several product prototypes
- Containerized Node.js applications, created staging, production environments on AWS EC2/ECS, wrote Ruby and Bash scripts for custom Docker CI/CD pipeline
- Developed Scala engine for ingesting and mapping newly registered sensors into platform node structure

**S&P Capital IQ - Software Developer Intern**                         6/14 - 8/14
- Created usage tracking tools using Haskell-like DSL, ASP.NET, SQL Server and jQuery for financial intelligence platform
- Designed Node.js mock backend and SQL database schema for prototype of social media/networking addition to platform

**University of Nebraska - Lincoln - Teaching Assistant**              1/12 - 12/12
- Assisted professor in creating and proofreading homework, grading, and guiding labs for introductory C and Java courses

**SCHOOL PROJECTS**
- Created Twitter clone using Sinatra with Riak-based backend
- Implemented FTP/TFTP clients in C#
- Developed Windows Phone app for location-based messaging

**ACTIVITIES**
- Participated in ACM North Central North America Regional Programming Contest                                     2011, 2012
- Interim Secretary of the UNL chapter of the ACM            8/12 - 12/12
- Copyeditor + Graphic Designer for The Shakerite            8/08 - 5/10

**HONORS**
- Dean's List, Spring/Fall 2011, 2012, Fall 2013, Spring 2014

Available January 2016
